## **Member Sharing**

Hello UVPC Members,

Just a short note to everyone about photo sharing. For future photo sharing I would like everyone to please limit their sharing to maximum of 5 photos. I also think it is important that we keep photo sharing in line with our club value of learning. So with that in mind when you share please let the club know what you learned or what special process or technique you used to take and or develop your photos. It doesn't need to be a lecture; we just want to know the basics. I know there hasn't been a lot of time lately for sharing but I will be making it a point to limit speaking times so that we have time at the end of the meetings to share.

If there is an announcement that you need to tell the club, please send out an email to me so that I know you need to speak at the meeting. You will be given some time to speak and you will need to keep within your allotted time so that the meeting can be completed as scheduled. If it is something that you can email out please do that through the club website to save time at our meetings.

At our board meeting we discussed having a monthly club sponsored outing. I would like this to start right away but knowing this may not be plausible I would like it to start by January for certain. The outings should be day outings. This means we can travel there and be home within a normal day. We can continue to have special outings as well but I think it is important that we have regular outings as a group. There are many things to do within a 50 or 60 mile radius that I feel would be great for club outings. There is a very useful calendar being put out by Dennis and Rick P. that we can use as a guide for these outings. There are also many state and local parks in the area that would make great places for outings. If you are interested in planning/heading up an outing feel free to contact me and we can get something into the calendar.

Thanks Everyone,  
Rich Abplanalp
